

Summit Attendee Cheat Sheet

Here we are, just a few short weeks until the Summit! In the effort to get you as prepared as possible for the event, we've created this "Attendee Cheat Sheet."

We want you to be armed and ready with all the information you could possibly need to maximize your experience to the fullest, and that's why we're sending you this all important ***information***.

Because there are so many last-minute details associated with getting ready... packing, travel arrangements, dog-sitters, etc. – it's easy to let things fall through the cracks.

So, in an effort to help you sew up those cracks watertight, we've put this list together to help you make your Summit experience as easy and amazing as possible. Please take the time to read through it, print it and be sure to bring it with you as well.

Silent Charity Auction benefitting Intrepid Fallen Heroes – We're asking attendees to donate a physical item or vacation timeshare, etc., for our silent charity auction which will be going on throughout the event! In the past, we've had students get quite creative with their donations, so use your imagination to come up with something really special to help us raise money for this amazing charity.

Physical donations can be brought to the event and given to Kim in the Global Publishing, Inc. bookstore located in the tradeshow. If you prefer not to carry your physical donation, please bring a nice picture and description of the item, and plan to mail to the highest bidder. Thank you in advance for your participation!
